## School Schedule

We follow the Jefferson County School schedule with only a few exceptions. A yearly calendar is given out in the fall. Our year begins with a classroom visitation to give children, parents and teachers the opportunity to get acquainted with each other.

### **Staff**

All staff Members are required to take fifteen hours of continuing education each year in early childhood education. Several staff are certified in first aid and CPR. Watkins has a strict child abuse prevention policy in place and all staff undergo a thorough background check before hiring.

### **Credentials**

Watkins Mother's Day Out is licensed by the state of Kentucky and we are members of the Kentucky Association for Early Childhood Education and members of Community Coordinated Child Care.

### **Class Size**

We maintain a small teacher/child ratio to ensure a quality program for each child.
